NOTE: If you choose not to order your books through Classbook.com and purchase books elsewhere, please note that the ISBN of each book MUST match the ISBN of the book that is listed on Classbook.com. Even though a book has the same title and author, the page sequence of the book can be very different.

To order your books:

1. Enter student's first and last name and click Add.
2. On the left of page under Division click Noble and Greenough School-Fall Semester.
3. Click on Department, and select the course that applies to your schedule. Select from the list of books that you will need for that course. Some courses will have a Note Box at the top of this page. Please read carefully for pertinent instructions to this course’s booklist. You can choose New or Used books. (Please note that there are a limited number of used books for some classes, so please order early.)
4. Follow instructions in step 3 for each course.
5. When you have selected all of your books, click checkout for payment. You will need a credit card (or code) to make your payment.

With any questions regarding your order, you can contact Classbook.com directly at 1-877-477-6217.

Please remember, if you decide to order your books elsewhere, the ISBN of each book MUST be the same as listed on Classbook.
