REQUEST TO SWITCH CLASSES

Nobles Summer Seminars are designed to be an engaging and intensive four weeks of learning. Given the pace of this program, a student who begins a course after the first class(es) may have a difficult time catching up to their classmates.

- Class Switch Requests will be considered before the start of the program (July 6) and after the first two classes (July 6 & July 8).
- After July 8, no Class Switch Requests will be considered.

All Class Switch Requests should be sent directly to SummerSeminars@nobles.edu.

ATTENDANCE POLICY

Nobles Summer Seminars are student-centered and fueled by student engagement, curiosity, and participation. Attendance is crucial to a meaningful experience.

A student must attend a minimum of 9 out of 12 classes (75%) to receive a Certificate of Completion for this program.

HOMEWORK POLICY

In addition to 3 synchronous classes per week, a teacher may assign 2-3 hours of homework out of class during the week. Intended to advance concepts, solidify learning, and provoke thinking, this outside work deepens the intellectual experience in the virtual classroom. The inability to complete homework will impact both individual and classroom experience.

A student who attends classes but who does not complete 70% of the assigned work may not be eligible to receive a Certificate of Completion for this program.
