Executive Director Job Description

Founded in 2008 at the Noble and Greenough School, Achieve is a tuition-free summer and academic year educational program for middle school students from Boston. Achieve partners with families to empower motivated students from underserved communities to close the opportunity gap through transformative academic and enrichment experiences, enduring mentoring relationships, and inspiring confidence, learning, and joy.

Achieve seeks to increase students’ academic skills, motivation, and self-confidence and put them on the path to college. Achieve’s approach is strongly data-driven to ensure we are meeting our goals yet is simultaneously a warm, playful, and safe environment for all students. The program serves roughly 90 students in rising grades seven through nine. Tightly rooted in Nobles’ mission of leadership for the public good, Achieve is an important part of the Nobles community and is uniquely positioned due to its healthy endowment and annual fundraising success. The successful candidate will enjoy being part of the larger Nobles community by connecting and engaging, both formally and informally, with students and faculty during the school year.

Job Responsibilities

Program development and implementation:
- Lead the Achieve team to develop full academic and social/emotional curriculum and programming for the six-week summer session and Saturday sessions during the school year including:
